

Visions Unlimited has one main objective:

To create for you the highest quality, most complete, wedding video documentary possible.

We have that extra measure of skill and experience that is so important in the videotaping of different types and styles of weddings.

Let us remove the worry.

It's our skill and experience which builds your confidence, and provides you with peace of mind.

This mix of skill, experience, and state-of-the-art equipment coupled with our innate sense of artistry, give us the essential ingredients needed to create exquisite Wedding Videos that are truly works of art.

At Visions Unlimited, we:

- will customize a package especially for you and your needs.
- have been producing keepsake wedding videos since 1985.

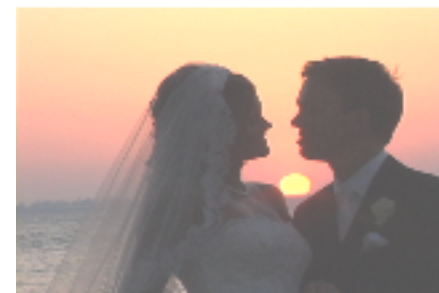

- work unobtrusively, to capture all the romance, color and excitement of your special day.
- constantly update our cameras and editing computers, to insure that we have state-of-the-art equipment.

- are proud to provide service; above and beyond your expectations.
- are members of:
Weddings of Sarasota, Manatee Bridal Connection, Siesta Key , Longboat Key and Anna Maria Island Chamber of Commerces, and WEVA.
(Wedding and Event Videographers Association)
